Business never looked better in black & white

Big impact, small size. Now you can ensure your business communications create a big impression – with only a little effort. Both the Canon iR1018/1022 and iR2018/2030 Series combine the skills of many devices into small space-saving multifunctional units, giving you high quality printing, scanning, copying and sending.

COPY SCAN PRINT SEND

DO MORE FOR LESS

By connecting these intelligent all-in-one devices to your network, you can add powerful communication tools to your business. From entry-level everyday black & white A4 printers to more sophisticated document and publishing capabilities up to A3, you'll find what you're looking for with these two great ranges.

ENVIRONMENTALLY FRIENDLY

These highly energy efficient products have a stand-by power consumption as low as 3.5w

ENHANCE YOUR PRODUCTIVITY WITH COLOUR I-SEND

Colour i-Send scans and converts hardcopies into electronic files for distribution across public telephone lines, the Internet, or a local area network.

WHY USE COLOUR I-SEND?

- Time saving: send to multi-destinations and destination types in one go.
- Enhanced quality: documents can be sent in colour, an improvement over traditional fax transmission.
- Increased flexibility as documents can be emailed directly from the device.
- Quick and reliable: both internet and traditional phone lines can be used.
- Cost & space efficient.
- internet faxes incur no extra charge and there is no need for additional fax/scanner purchase.
- Cost effective: no more high courier bills.

Canon iR1018/1022 – Communicate with incredible speed

Entry level pricing,
high quality A4 printing

Sitting comfortably on your desk, Canon iR1018/22 printers will help you print, copy and fax desktop communications quickly in black and white, plus you can scan and send in glorious colour too.

FAST, EFFECTIVE, PRODUCTIVE
Canon iR1018/22 printers meet the specific requirements of small business or workgroups needing compact, cost-effective power. You can print 18-22 pages per minute and also scan and send information directly from the device in a variety of formats.

PLUG AND PLAY
To save you time and increase productivity, all these devices come network ready*.

WHY CHOOSE A4?
• Ideal when space is at a premium.
• When you need the versatility of an A3 device e.g.
  - Scan and send
  - Fax
  - iFax
  - Collate and staple

* The iR1018, iR1022A & iR1022F come with UFRII and require a network adaptor. The iR1022i & iR1022iF come with UFRII & PCL and network adaptor as standard.

SAVE SPACE, AND THE ENVIRONMENT TOO
A compact footprint means you don't have to use valuable floor space for different devices, you get everything you need in one small desktop model. As part of Canon's commitment to reducing environmental impact, these models automatically go into energy-saving sleep mode when the device is not in use – and can power back up in seconds as soon as they are needed.

STANDY-BY POWER CONSUMPTION: 4.65 W

WHY BUY CANON GENUINE CONSUMABLES?
Only Canon genuine consumables can guarantee optimal device performance and the highest quality output.

Canon iR2018/2030 – Get your message across in style

Add a little sophistication to your - black & white A3 documents

The Canon iR2018/30 series has been created to deliver fantastic value printing, scanning and copying for up to A3, and publishing capabilities if you require them. All of which enables you to manage cost, productivity, quality of output and your impact on the environment.

SIMPLE, PROFESSIONAL, VERSATILE
Create high quality professional-looking black & white documents with ease, at up to 1,200 dpi (with URFII lite), with simple finishing options such as double-sided printing and stapling.

PLUG AND PLAY
To save you time and increase productivity, all these devices come network ready.

WHY BUY A3?
• Ideal for printing large excel spreadsheets
• Ideal for copying large documents
• Ideal for scanning large documents and converting them to PDF for electronic storage
• Ideal for increased productivity with the staple and sort functions

EASY ADMINISTRATION WITH CENTRAL MANAGEMENT
All devices in this range can be easily connected to your IT network, enabling you to take advantage of intelligent software solutions. For example, iW Management Console (iWMC), helps you manage, monitor and control multiple networked devices from a single point of control. Plus, Remote User Interface (RUI), gives users easy access and management of any print device connected to your network, direct from all connected PCs.

STANDY-BY POWER CONSUMPTION: 3.5 W
