Interface	USB 2.0, Ethernet 10/100 Base TX
Duty Cycle, Monthly	65000 pages
Dimension (W x D x H)	441.5 x 431 x 425mm
Weight	27kg

Features

Enhanced Specification

With a 360MHz CPU and a generous 256MB memory, the

SAMSUNG CLP-620ND range makes print jobs easy to process, store and handle. The added features and processing power mean it's suitable for the most demanding office environment.

Power Save Mode

Reduces the cost of printing and lowers the temperature of the machine, creating a more durable environment for the printer components. Less wear and tear means extended quality and fewer replacement parts needed.

Smooth Network Integration

Conveniently network ready the SAMSUNG CLP-620ND is easy to integrate into your IT infrastructure right from the box. They also include support for the next generation Internet protocol (IPv6), giving you assured integration capability with IT networks of the future.

Easy to Maintain

The SAMSUNG CLP-620ND range also offers a choice of consumables to meet your cash flow needs. High yield toner cartridges, which are ideal for heavy users, last longer and give you lower costs per page. Optionally, low yield toner cartridges have the advantage of a lower initial outlay.

Duplex Printing

The SAMSUNG CLP-620ND includes SAMSUNG's Duplex technology, allowing for efficient and economical printing.

Samsung's Real-Time Calibration Technology

SAMSUNG's Real-Time Calibration Technology ensures documents are printed to a consistently high colour quality. However, when dealing with important documents that require special attention, users can choose to manually define the colour quality that will appear on their documents.

Blue Compass Navigation

SAMSUNG's unique Blue Compass Navigation is easy to learn and even easier to use, so you can be more productive, more quickly. The navigation array gives you instant access to all the different print functions and controls. Simple, intuitive menus and buttons add to the savings in training and troubleshooting time. User-friendly GUI screens make operations quick and easy, and printer control panels have everything covered, including job status, toner level, paper empty and cover open alerts.

Paper Handling

Storage of 250 sheets of paper at one time as well as 100 sheet Multipurpose Tray. This means less time is spent filling paper trays and with the variety of available paper formats – from A6 to Legal – you're always ready to print.

High Resolution

Communication is key in any business. Colour Print quality can make your company stand out. The SAMSUNG CLP-620ND / 670N / 670ND range excels in its printing capability by featuring a resolution level of 9600x600dpi and high glossiness level, providing you with consistent professional documents.

Samsung Easy Colour Manager

Easy Colour Manager allows users to easily adjust colour balance, brightness, contrast and saturation of any image that you view on your monitor. It can be especially useful if you have specific colour preferences, or if your company has its own brand requirements.
